this beautifully illustrated book looks at three exemplary traditions in poetic painting

bringing new understanding of the relationship between the art and the societies that produced it

this book presents interdisciplinary research on the aesthetics of perfection and imperfection broadening this growing field it connects the aesthetics of imperfection with issues in areas including philosophy music literature urban environment architecture art theory and cultural studies the contributors to this volume argue that imperfection has value in being open and inclusive the aesthetics of imperfection is typified by organic unpolished production and the avoidance of perfect finish instead representing living and natural change and opposing the consumerist concern with the flawless and pristine the chapters are divided into seven thematic sections after the first section on imperfection across the arts and culture the next three parts are on imperfection in the arts of music visual and theatrical arts and literature the second half of this book then moves to categories in everyday life and branches this further into body self and the person and urban environments together the chapters promote a positive ethos of imperfection that furthers individual and social engagement and supports creativity over mere passivity imperfectionist aesthetics in art and everyday life will appeal to a broad range of scholars and advanced students working in philosophical aesthetics literature music urban environment architecture art theory and cultural studies

reading art from a semiotic perspective this book offers a new interpretation of the development of chinese landscape painting and outlines a new framework for contemporary semiotics and critical theory it will appeal to those interested in visual art chinese studies critical theory semiotics and other relevant fields and will allow the reader to learn how to put theory into the practice of studying art how to give new life to an important theory and how to acquire a new point of view in appreciating and enjoying art with a certain critical theory

in this study the author examines the evolution of byron s poetry from childe harold i and ii through to the composition of beppo beginning with a close reading of the sustained poetic experimentation that constitutes childe harold i and ii he charts the progress of that experimentation in the tales where byron s poetry gets entrenched in a tragic idiom the author then describes byron s prolonged struggle to break clear of the imaginative limitations imposed by that tragic idiom and to break into a sustainable comic mode a struggle that drives childe harold iii the prisoner of chillon and the dream only to culminate in success in childe harold iv it is here as rawes demonstrates that the path forward into the comic mode of beppo and don juan is discovered byron s poetic experimentation also offers a substantial reconsideration of byron s shifting attitude towards wordsworthian idealism and a detailed analysis of the structured eclecticism of manfred

this book uses the haikai verse and paintings of the brilliant innovative artist yosa buson 1716 1783 as a focal point from which to explore how japanese writers competed for artistic authority in a time when popular responses to economic technological and social changes were creating the beginnings of a modern literature the first part of the book discusses buson s role in the bash revival movement situating his haikai in the context of the social

networks that writers of his time both relied on and resisted the second part explores buson's hokku linked verse and haiga haikai painting the book concludes with a discussion of buson's reception in the modern period and includes translations of his principal works

at a time when the humanities are under threat this book offers a defense of poetry within the context of growing interest in mindfulness in business health care and education the book argues that the benefits and insights mindfulness provides are also cultivated by the study of poetry these benefits include a focus on the present the ability to see through scripts and habits a rethinking of subjectivity and the development of ecological or systems thinking bryan walpert employs close readings of traditional and experimental poetry and draws on scientific studies of the effects of mindfulness or reading literature on the brain it argues the skills that poetry like mindfulness cultivates are useful beyond the page or classroom and ultimately are necessary to engage with such global issues as the environmental crisis

in recent years in the west scholars have attempted to unravel old constructs of interpretation and understanding using the discipline of hermeneutics or the scientific study of textual interpretation borrowed from students of the ever growing body of biblical interpretive literature that originated in the early christian era theoretical hermeneutics has given many contemporary scholars potent tools of textual interpretation classics and interpretations applies this method to chinese culture several essays focus on hermeneutic traditions of neo confucianism others move outside of these traditions to attempt an understanding of the role of hermeneutics in taoist and buddhist textual interpretation in chinese poetics and painting and in contemporary chinese culture this volume makes a concerted effort to remedy our ignorance of the chinese hermeneutical tradition part 1 the great learning and hermeneutics demonstrates the use of commentary to define how the individual creates his social self and discusses differing interpretations of the ta hsueh text and its treatment as either canonical or heterodox part 2 canonicity and orthodoxy considers the philosophical touchstones employed by neo confucian canonical exegetes and polemicists and discusses the han canonization of the scriptural five classics while illuminating a double standard that existed in the hermeneutical regime of late imperial china part 3 hermeneutics as politics discusses the transformation of both the classics and scholars and explores the dominant hermeneutic tradition in chinese historiography the scriptural tradition and reinterpretation of the ch un ch iu and reveals the pragmatism of chinese hermeneutics through comparison of the sung debates over the mencius the concluding sections include essays on chu hsi and interpretation of chinese classics hermeneutic traditions in chinese poetics and non confucian contexts reinterpretation of confucian texts in the ming ch ing period and contemporary interpretations of confucian culture through these literate and brilliantly written essays the reader witnesses not merely the great breadth and depth of chinese hermeneutics but also its continuity and evolutionary vigor this volume will excite scholars of the confucian buddhist and taoist systems of thought and belief as well as students of history and hermeneutics ching i tu is a professor and chairperson of the department of east asian languages and cultures at rutgers university in new brunswick new jersey he is the author of poetic remarks in the human world and editor of tradition and creativity essays on east asian civilization published by transaction

in the edo period 1600 1868 status and gender based expectations largely defined a person s place and identity in society the wayfarers of the time however discovered that travel provided the opportunity to escape from the confines of the everyday cultured travelers of the seventeenth and eighteenth centuries wrote travel memoirs to celebrate their profession as belle lettrists for women in particular the open road and the blank page of the diary offered a precious opportunity to create personal hierarchies defined less by gender and more by culture and refinement after the mid eighteenth century which saw the popularization of culture and the rise of commercial printing textbooks guides comical fiction and woodblock prints allowed not a few commoners to acquaint themselves with the historical lyrical or artistic pedigree of japan s famous sites by identifying themselves with famous literary and historical icons of the past some among these erudite commoners saw an opportunity to rewrite their lives and re create their identities in the pages of their travel diaries the chapters in part one re creating spaces introduce the notion that the spaces of travel were malleable accommodating reconceptualization across interpretive frames laura nenzi shows that far from being static backgrounds these travelscapes proliferated in a myriad of loci where one person s center was another s periphery in part two re creating identities we see how in the course of the edo period educated persons used travel to or through revered lyrical sites to assert and enhance their roles and identities finally in part three purchasing re creation nenzi looks at the intersection between recreational travel and the rising commercial economy which allowed visitors to appropriate landscapes through new means monetary transactions acquisition of tangible icons or other forms of physical interaction
