in against worldview reimagining christian formation as growth in wisdom simon p kennedy challenges the conventions of christian worldview education and provides a better way

every group within christianity has its own opinions on what christianity really is but who s right if anyone with the letter to the colossians we have an opportunity to find an answer paul compares christianity to another worldview and argues that christianity is better this book uses that comparison in order to understand paul s christian worldview in this book you will also find answers to some very difficult questions 1 what is god s ultimate purpose for humanity 2 do we just do things because god told us to 3 why does paul tell wives to obey their husbands 4 why does paul tell slaves to obey their masters 5 why does god care what we do at all 6 why does god command these particular actions 7 why would we want to follow god s commands anyway 8 how does following god s commands actually make us better people christianity is the point at which god acted through christ to fix what was wrong with creation and bring the whole story to a different conclusion in this book you will see the big picture of christianity and how all the dots connect from start to finish

this text was originally published in 2004 as a provisional road map gesturing to a plan of action for liberation at the level of the idea vitally compulsory to dismantle the hegemony of the white world order of power in the 21st century since 2004 deconstruction of the oeuvre of frantz fanon michel foucault derek walcott the discourse of massa of african enslavement in the caribbean and the thought of xi jinping for the new era have been published which has changed the nature of the road map today versus that of 2004 an extensive revision of the text of 2004 was now necessary which focuses on the the nature of hallucinatory whiteness that afflicts non white peoples under the hegemony of massa white world order of power thereby rendering them incapable of liberating themselves at the level of the idea the need now was to uncover hallucinatory whiteness as it constitutes human action and how the nature of this action is the

product of hallucinatory whiteness hence it reinforces white hegemony over the non white person at the level of the idea to this end a deconstruction of the writings of toussaint l ouverture of the haitian revolution george jackson of the african revolution of amerikkka and skin bleaching in the caribbean in the 21st century are presented as case studies illustrating potently the debilitating power hallucinatory whiteness wields over the mind of non white persons who insist they are champions of liberation which drives the resilience of massa hegemony over non white peoples of the world

there is an increasing recognition today that young people need to have knowledge about religions and world views in order to live and work in diverse societies what kind of maps are they provided with through religious values and ethics education does education address the challenging existential questions that children and adolescents ask about life and the world this volume addresses different aspects of how existential questions have been dealt with in educational research it especially draws attention to the swedish research tradition of focusing on life questions and the interpretation of life in education but with contemporary international research added it also addresses issues of ethics education and discusses possible options for the future of existential questions as a resource for education

in this companion volume to the universe next door james w sire offers his refined definition of a worldview and addresses key questions about the history of worldview thinking the existential and intellectual formation of worldviews the public and private dimensions of worldviews and how worldview thinking can help us navigate an increasingly pluralistic universe
