the routledge companion to studio performance practice is a unique indispensable guide to the training methods of the world's key theatre practitioners compiling the practical work outlined in the popular routledge performance practitioners series of guidebooks each set of exercises has been edited and contextualised by an expert in that particular approach each chapter provides a taster of one practitioner's work answering the same key questions how did this artist work how can i begin to put my understanding of this to practical use newly written chapter introductions put the exercises in context explaining how they fit into the wider methods and philosophy of the practitioner in question all 21 volumes in the original series are represented in this volume

the routledge companion to performance practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular routledge performance practitioners series of guidebooks each of the chapters is written by an expert on a particular figure from stanislavsky and brecht to laban and decroux and places their work in its social and historical context summaries and analyses of their key productions indicate how each practitioner s theoretical approaches to performance and the performer were manifested in practice all 22 practitioners from the original series are represented with this volume covering those born before the end of the first world war this is the definitive first step for students scholars and practitioners hoping to acquaint themselves with the leading names in performance or deepen their knowledge of these seminal figures

this book examines jacques copeau a leading figure in the development of twentieth century theatre practice a pioneer in actor training physical theatre and ensemble acting and a key innovator in the movement to de centralize theatre and culture to the regions noe reissued jacques copeau combines an overview of copeau s life and work an analysis of his key ideas a detailed commentary of his 1917 production of moliere s late farce les fourberies de scapin the opening performance of his influential new york season a series of practical exercises offering an introduction to copeau s working methods as a first step towards critical understanding and as an initial exploration before going on to further primary research routledge performance practitioners are unbeatable value for today s student

this is the first book to investigate the social political cultural artistic and economic forces which created conditions for the rise success and decline of mime and physical theatre in the united kingdom from the 1970s to 2000 unpicking the various routes through which mime and physical theatre emerged into wider prominence this book outlines key thematic strands within this history of practice the book blends historical description and refl ective analysis it aims to juxtapose the various histories at play within this field giving critical attention to the voices of the artists funders and venue managers who were there at the time particularly recognising the diversity of practitioners and the network of relationships that supported their work drawing upon over 40 original interviews including amongst others joseph seelig helen lannaghan steven berkoff julian chagrin annabel arden nola rae denise wong david glass justin case and toby sedgwick the book offers unique testimonies and memories from key figures active during these three decades this wide ranging account of the history social context key moments and practical methods gives an unparalleled chronicle of one of the uk s most vital and pioneering forms of theatre from undergraduate students to established scholars this is a comprehensive account for anyone studying contemporary theatre theatre history mime physical theatre and the structures that support the performing arts in the united kingdom

this new edition of physical theatres a critical introduction continues to provide an unparalleled overview of non text based theatre from experimental dance to traditional mime it synthesizes the history theory and practice of physical theatres for students and performers in what is both a core area of study and a dynamic and innovative

aspect of theatrical practice this comprehensive book traces the roots of physical performance in classical and popular theatrical traditions looks at the dance theatre of dv8 pina bausch liz aggiss and jér me bel examines the contemporary practice of companies such as théâtre du soleil complicité and goat island focuses on principles and practices in actor training with reference to figures such as jacques lecoq lev dodin philippe gaulier monika pagneux etienne decroux anne bogart and joan littlewood extensive cross references ensure that physical theatres a critical introduction can be used as a standalone text or together with its companion volume physical theatres a critical reader to provide an invaluable introduction to the physical in theatre and performance new to this edition a chapter on the body and technology exploring the impact of digital technologies on the portrayal perception and reading of the theatre body spanning from onstage technology to virtual realities and motion capture additional profiles of jerzy grotowski wrights and sites punchdrunk and mike pearson focus on circus and aerial performance new training practices immersive and site specific theatres and the latest developments in neuroscience especially as these impact on the place and role of the spectator

this volume examines the work of directors jacques copeau theodore komisarjevsky and tyrone guthrie it explores in detail many of the directors key productions including copeau s staging of molière s the tricks of scapin komisarjevsky s signature season of chekhov plays at the barnes theatre and guthrie s pioneering direction of shakespeare s plays in north america this study argues that their work exemplifies the complexity and novelty of the role of theatre directing in the first three quarters of the 20th century as komisarjevsky was in the middle of the genesis of directing in russia copeau launched his directorial career just as the role was gaining definition and guthrie was at the vanguard of directing in britain at last shaking off the traditions of the actor manager to formulate the new role of artistic director

this volume undertakes to consider not dramatists and plays alone but rather the arts of acting too of theatrical design and production and such special phases and problems of these as illusion stage movement tempo realistic and poetic methods the voice music color and lights and furthermore such artists designers producers directors and playwrights as illustrate and embody the principles considered the very subjects undertaken then are not common to books on the drama and deal with points and problems that are often felt but only vaguely shadowed in the minds of students and lovers of the theatre and even of its creative artists by such subjects the author at least intends to dilate the scope of the discussion and to illuminate a little further perhaps the essential nature of the art of the theatre

from the page to the stage an introduction to theatre provides students with a comprehensive exploration of the critical elements involved in the creation of live theatre in unit i students enter the theatre as audience members they learn about the different types of theatres and stages they may encounter the unwritten contract that exists between actors and audience members during a performance and how to become an informed theatre critic part ii focuses on the two most widely studied theatre artists the playwright and the actor these chapters discuss the origin of scripted theatre how it has evolved over time and the various forms styles and genres of theatre students

read about the roles and responsibilities of playwrights how actors create their characters and influential men and women in the history of acting unit iii examines the theatre artists who combine forces to make a play a fully realized production including set costume lighting sound makeup and property designers students learn how directors unify the script cast and various design elements into one complete work of art and how managers publicists producers and choreographers contribute to the success of a production the final unit explores the history and theatrical practices of non western drama as well as various types of religious theatre
